What can Crystal Reports for MAS90 do for your business?

Crystal Reports can create FORMS...

- ✓ Include your logo on all your forms
 - *Eliminate ordering and stocking preprinted forms*
- ✓ Easily adjust forms as needed
 - *Update company phone, fax, address, etc., within minutes*
- ✓ Customize your forms per your requirements
 - *Remove fields that don't apply (i.e. Warehouse, Salesperson)*
 - *Add fields that are not standard (i.e., Phone, Fax, Remit to info, User ID)*
 - *Change the form title (i.e., Packing List, Confirmation, Pro Forma)*
- ✓ Print multiple copies...automatically
 - *Label these additional copies individually (i.e., File Copy, Acct Copy)*
 - *Eliminate the need for dot matrix printers*
- ✓ Add standard text or comments for improved communication with your vendors and customers
 - *Include your business hours, web site address, special instructions, etc.*
- ✓ Print all three lines of the Address Fields
 - *Go ahead...enter those long foreign addresses*
- ✓ Make your forms look more professional and up to date
 - *And keep them that way*

Crystal Reports can create REPORTS...

- ✓ Create custom reports for your data...your way
 - *Detailed or Summary*
 - *Include formulas, subtotals, grand totals, ranges, parameters, and more*
- ✓ Format your reports...your way
 - *Grouping, sorting, selecting, sub-reports, conditional formatting, etc.*
 - *Insert your logo, contact names, run date, etc.*
- ✓ Pull data from MAS90 to look at...your way
 - *Download it into Excel, comma delimited files, Lotus, and more*
- ✓ Quickly review MAS90 data fields your company uses for correct information
 - *Helps track missing information, required corrections, outdated info., etc.*
- ✓ Print your reports to a PDF file for emailing and sharing
 - *Employees can access the PDF file without knowing or using Crystal Reports*
- ✓ And much more
